Northwind Mistral 36
Two cabins with 2 heads.
The Mistral 36 is a classic 36-foot monohull designed in the early 1980s with bluewater sailing in mind — ideal for those who value traditional lines, dependable performance and comfortable liveaboard capability. Combines a solid fiberglass hull with proven design characteristics that make her equally suitable for coastal cruising and longer passages. Its spacious deck layout and well-proportioned cockpit ensure ease of handling, whether you're sailing solo or with a small crew, while the center cockpit and protected helm add comfort and safety underway.
