The Beneteau Oceanis 361 (2001) is a cruising sailboat renowned for its balance of sailing performance, onboard comfort, and ease of handling. Designed by Jean Berret and Olivier Racoupeau, it features solid construction, a spacious cockpit, and bright, functional interiors. Conceived to provide safe and enjoyable cruising, the model combines excellent sailing qualities with above-average living space for her size. According to Beneteau, the Oceanis 361 offers a comfortable and reliable sailing experience, making her ideal for extended stays onboard as well as coastal and offshore passages.
