Cutlass 27 was designed by E. White of Macron and A. Hill as a classic fast cruiser. She has superb sea-keeping abilities and sails well in almost any conditions. Originally built in 1971 the boat was extensively refitted by the renowned Ian Porter in Emsworth, UK, during 2019- 2020, receiving a new mast and rig, new sails, running rigging and cordage, a complete engine rebuild, a full range of new electronics and a complete interior and exterior refurbishment enabling the owner to complete extensive cruises around Ireland, in the UK and 2 seasons in Brittany, France. She has been professionally maintained and is currently stored ashore under her own cover.
