Northman 1200 Fly – Elegance, Space and Comfort Afloat

With its contemporary design and elegant lines, the Northman 1200 Fly is a yacht conceived for those who value comfort, sociability and the pure pleasure of boating, whether for relaxed weekend cruising or extended stays on board.

The flybridge stands out as one of the yacht's key features, offering a privileged space to fully enjoy navigation and life at sea. Equipped with a second helm station and repeated electronic displays, it perfectly combines leisure with operational efficiency. Inside, the sense of space is immediate. The generous saloon, featuring comfortable sofas and a dining table to port, creates a bright and welcoming atmosphere. To starboard, the interior helm station and the fully equipped galley — with electric cooktop, oven, fridge, stainless-steel sink and pressurised hot and cold water — ensure both practicality and comfort on board.

The 3-cabin, 2-head layout, with independent shower compartments, provides excellent privacy and convenience for family and guests alike. Outside, the cockpit invites long, relaxed meals outdoors, while the forward sunbathing area offers the perfect spot to unwind and enjoy the sun in complete tranquillity.

A modern, elegant and exceptionally well-designed yacht, ideal for those seeking to experience the sea with comfort, style and versatility.
