Botnia Targa 27.1

"Originally launched in 1991, the Targa 27 became an instant legend thanks to its remarkably solid and stable structure and its superb sea-going performance. Relaunched in 2003, when it won the 'Motorboat of the Show' award in Stockholm, the second-generation Targa 27.1 offers exceptional performance and handling. Its spacious cabin ensures that you travel in comfort, while the outstanding visibility from the pilothouse windows adds to your driving pleasure. Driving from the flybridge – accommodating three persons – is, according to the owners, a true pleasure on those sunny days"
